About Perpetuals.com Ltd

Perpetuals.com Ltd (NASDAQ: PDC) is a financial technology company combining blockchain infrastructure and artificial intelligence to transform digital asset trading. The company develops and operates Kronos X, a proprietary multi-asset exchange platform and blockchain-based settlement solution fully compliant with European regulations, including MiFID II, MiCA, DORA, and EMIR. The Company provides financial market infrastructure as a service from Equinix FR2 in Frankfurt, Germany, alongside Eurex and Xetra, enabling clients to operate 24/7 trading of crypto spot, derivatives, tokenized securities, and structured products. Building on machine learning analysis of millions of retail trade transactions, the Company has developed AI-powered risk intelligence designed to analyze trading patterns in real-time.
